Do you want to attach any comments or explanations regarding these reports?

(Legible please, separate paper is fine)

LEASE- I use the Boulder Model Lease, which was written by the City of Boulder and is designed to be fair to both parties.

RENT INCREASES- Any rent increases will not exceed 3% annually (may be rounded up to the next five dollars). This is written into the lease.

SECURITY DEPOSIT MONEY- I keep it in a trust account, legally separate from my own money. This protects you in case anything bad happens to me.
